RESPONSE TO AMENDMENT

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

With respect to claim 1, prior art fails to teach or reasonably suggest a dust sensor comprising at least one detection reporting means that detects and reports at least one large amount of dust accumulated at the interior of at least one of the main body housings, wherein the detection reporting means keeps track of time during which a signal level from a light receiving unit is maintained at or above a predetermined level, and when the time exceeds a predetermined threshold, the detection report means reports a large amount of deposit may have collected within the main body housing, in addition to the other limitations of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
